FEE PAYMENT AND FURTHER INFORMATION

Dale Christian College is committed to providing quality Christian education while maintaining an affordable fee structure for families. As an independent school, the College receives funding from both the Commonwealth and State Governments, supplemented by tuition fees and levies paid by families. Together, these funds support the delivery of educational programs, staffing, learning resources, facilities and the ongoing operation of the College. Fees are reviewed annually, with careful consideration given to the financial sustainability of the College and our commitment to keeping Christian education accessible and affordable for families.

The following information outlines the College's fee payment arrangements, available financial assistance and other important conditions relating to school fees.

Payment Arrangements

Tuition Fees are invoiced annually, with the following payment options available:

OPTION 1	One **payment in full**, due by the last Friday in February each year.
OPTION 2	**Term payment**. Four payments by direct debit.
OPTION 3	**Monthly payment**. 11 monthly payments by direct debit.
OPTION 4	**Fortnightly payments**. 24 fortnightly payments by direct debit.

At the beginning of the year families who have not returned the agreed Direct Debit payment arrangement documentation will be assumed to be paying in full and fees will be due as per Option 1 above.

Please always use your billing account number as reference.

Secondary Assistance Scheme for Students in Years 7 – 12

The Department of Education (WA) offers a Secondary Assistance Scheme. Holders of Centrelink Health Care Card, Centrelink Pensioner Concession Card or Veteran's Pensioner Concession Card may be eligible. The allowance is paid up to and including the year the student turns 18 years of age. Application forms are available from Administration during first term of each year. Please note there is a closing date on these applications set by the Department.

Late Payment of Fees

Families who are unable to pay their fees by the due date, irrespective of the payment cycle, must apply to the Business Manager for an extension of payment. In the event that fees are not paid on time, and no arrangement is made, the College will implement its Debt Recovery Procedure. The failure to respond to contacts made by the College regarding the overdue fees could put the enrolment of your child/ren in jeopardy.

Financial Hardship

Families may experience a period of financial hardship at some time during their enrolment at Dale Christian College. An application can be made for an 'Exceptional Circumstances' Rebate and this is considered on a case-by-case basis. Please refer to Rebate Policy. A rebate of 25% on the total tuition fees charged is available for Health Care/Concession Card holders on an annual basis but must be applied for each year on the relevant form, available from the College Office.

Withdrawal Notice Period

Parents/guardians wishing to withdraw their child from Dale Christian College are required to provide a minimum of eight (8) weeks' written notice during school term time, and complete the Notice of Withdrawal Form, prior to the student's final day of enrolment. Written notification must be submitted to the College's Enrolments Office at enrolments@dalecc.wa.edu.au.

Where the required notice period is not provided, a fee equivalent to one term's tuition fees may be charged in lieu of notice, in accordance with the College's Enrolment Terms and Conditions. Requests for consideration of exceptional circumstances may be submitted in writing to the Principal.

Absence From the College

No reduction of fees will be made on account of an absence from the College for any period, as the cost incurred in operating the College is not lessened by the absence of an individual student. Any extended time will still need to be paid in full to ensure the place for the student is retained.
